

United States of America
Department of Transportation Federal Aviation Administration
Supplemental Type Certificate

Number **SA3699NM**

This certificate, issued to:

**AIM Aerospace, Inc
705 SW 7th St
Renton, WA 98057**

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (See Type Certificate Data Sheet A16WE for complete certification basis.)

Original Product—Type Certificate Number: A16WE
Make: Boeing
Model: 737-100, 737-200

Description of the Type Design Change: Installation of a class divider in accordance with Federal Aviation Administration (FAA) approved KME Drawing List Number KME 4962, Revision G, dated July 10, 1987, or later FAA-approved revisions.

Limitations and Conditions: The approval of this change in type design applies basically to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. The resulting interior arrangement, along with the required placarding, has not been evaluated and is not part of this supplemental type certificate. A copy of this certificate and FAA-approved KME Drawing List Number 4962 shall be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: June 12, 1986 *Date reissued:* October 25, 1988; July 5, 2011
Date of issuance: February 17, 1987 *Date amended:* October 15, 1987

By direction of the Administrator
