

# Supplemental Type Certificate

*Number* SA104GL

*This certificate issued to* Heliplane Aircraft Corporation International  
1821 North US Highway 1  
Ft. Pierce, Florida 34946

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations.* (See T.C. Data Sheet 1H17 for complete certification basis.)

*Original Product - - Type Certificate Number :* 1H17

*Make :* Air and Space

*Model :* 18A

*Description of Type Design Change:* Installation of a 0.6 second time delay circuit in the side-slip warning system in accordance with Farrington Aircraft Corporation Drawing No. FAC-1001, revision D, and FAC-100, Page 3, revision C, and later approved revisions.

*Limitations and Conditions:* This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse effect upon the airworthiness of that aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. FAA Approved Rotorcraft Flight Manual Supplement dated January 13, 1976 is required.

*This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.*

*Date of application :* December 26, 1972

*Date reissued :* June 27, 2011, July 27, 2011

*Date of issuance :* January 13, 1976

*Date amended :*

*By direction of the Administrator*
