|--|-------------------|
| <i>Original Product—Type Certificate Number:</i> | A24EU |
| <i>Make:</i> | British Aerospace |
| <i>Model:</i> | HS 748 Series |

Description of the Type Design Change: Installation of galley, P/N ATI75201, in accordance with FAA sealed ATI Drawing List No. ATI75200-DL, Revision A, or later FAA-approved revision.

Limitations and Conditions: The approval of this change in type design applies basically to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this certificate and FAA Sealed Drawing List No. AT175200-DL shall be maintained as part of the permanent records for the modified aircraft. The result interior arrangement, along with the required placarding has not been evaluated and is not part of this STC.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: December 29, 1981

Date reissued: July 14, 2006, December 4, 2008

Date of issuance: April 8, 1982

Date amended: July 14, 2006

By direction of the Administrator
