

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA2368CE

This certificate issued to: Phoenix Aircraft Company
1761 SE Bluestem Road
El Dorado, KS 67042

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Bulletin 7A dated October 1, 1934.

Original Product - Type Certificate Number : A18EA
Make: Great Lakes
Model: 2T-1, 2T-1A-1, 2T-1A-2

Description of Type Design Change:

Installation of plywood covering on the bottom of the wing center section per El Dorado Zeppelin Drawings E00001 and E00002 with an FAA approval date of April 21, 1988 or later.

Limitations and Conditions:

This approval should not be extended to other specific airplanes of these models on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of these other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : March 16, 1988

Date reissued : June 30, 2004

Date of issuance : April 21, 1988

Date amended :

By direction of the Administrator
