

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SR01603NY-D

This certificate issued to Wysong Enterprises, Inc.
2695 Highway 75
Blountville, TN 37617

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number : H2SW

Make : Bell Helicopter Textron

Model : 407

Description of Type Design Change:

Installation of a Wescam 12DS200 using Wysong Universal Nose Mount in accordance with Keystone Helicopter Installation Drawing List IDL00741, No Revision, dated February 02, 2004, or latest FAA approved revision.

Limitations and Conditions:

1. Keystone Helicopter Corp., FAA Approved Rotorcraft Flight Manual Supplement No. FM00741, no Revision, FAA approved March 5, 2004 or latest FAA approved revision, is required with this modification.
2. Keystone Helicopter Instructions for "Continued Airworthiness Universal Nose Mount Installation on the Bell 407 Helicopter", Report No. IC00741 No Revision, dated February 02, 2004 or latest FAA approved revision, is required with this modification.
3. This approval is for the external mounting equipment with no controls. The operational and electrical aspects of this installation are NOT certified. Additional FAA approval is required and must be evaluated to assure satisfactory compliance with the applicable airworthiness standards.
4. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
5. Compatibility of this design change with previously approved modifications must be determined by the installer.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : December 8, 2003

Date reissued : May 25, 2004

Date of issuance : March 5, 2004

Date amended :
