*certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part \* of the \* Regulations.*

*Original Product—Type Certificate Number:* \*See Attached Approved Model List Number  
*Make:* SA21NW for List of Approved Airplane Models  
*Model:* and Applicable Airworthiness Regulations

*Description of the Type Design Change :* Installation of a 70 pound baggage compartment in either or both EDO 89-2000, 89A-2000 or 689-2130 floats, in accordance with Kenmore Air Harbor, Inc. Installation Instructions K6124, dated February 16, 2009, or later FAA-approved revision, and the appropriate Kenmore Air Harbor drawing listed on Approved Model List (AML) SA21NW, dated September 25, 2009, or later FAA-approved revision.

*Limitations and Conditions :* The weight and balance report must be amended to include the additional 70 or 140 pound baggage capacity. Approval of this change in type design applies only to the models listed on FAA-approved Model List No. SA21NW, and should not be extended to other aircraft of these models on which other previously approved modifications are incorporated, unless it is determined by the installer that the relationship between this change and any other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. It has been determined that Instructions for Continued Airworthiness (ICA) are not necessary for this change.

A copy of this certificate, and AML SA21NW, must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

*This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.*
