(See Type Certificate Data Sheet Number A35EU for complete certification basis)

Original Product - Type Certificate Number : A35EU
Make : Airbus Industrie
Model : A300 Model F4-605R

Description of Type Design Change:

Install Cargo Handling System in accordance with Drawing List Report Number 830, revision A, dated April 21, 1998, or later FAA Approved revisions.

Limitations and Conditions:

- 1) An FAA approved main deck cargo interior compatible with this modification must be installed in the airplane.
- 2) The installer must determine whether this design change is compatible with previously approved modifications.
- 3) If the holder agrees to permit another person to use this certificate to alter the product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : October 7, 1997

Date reissued : March 26, 2015

Date of issuance : April 29, 1998

Date amended :

By direction of the Administrator
