Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate
IMPORT

Number ST02282NY

This certificate issued to Bombardier Aerospace
200 Côte Vertu Road West
Dorval, Quebec
Canada H4S 2A3

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number: T00003NY
Make: Bombardier
Model: BD-700-1A10 & BD-700-1A11

Description of Type Design Change:

The installation of an XM Satellite Radio/Weather antenna and a WSI Antenna to be done in accordance with Aero Consulting Service Modification Data Summary Number E821000, Revision C, dated October 20, 2006, or later Transport Canada approved revision.

Limitations and Conditions:

1. Compatibility of this design change with previously approved modifications must be determined by the installer.
2. If the holder agrees to permit another person to use the certificate to alter the product, the holder shall give the other person written evidence of that permission.
3. The FAA has not certified the installation of the any electrical systems associated with the antenna, only the structure to support the antenna and the antenna itself. You must get additional FAA approval to install the electrical systems associated with the antenna. The FAA must evaluate the installation to ensure it complies with the applicable airworthiness standards.
4. Maintenance must be in accordance with the following, or later Transport Canada accepted revision:
 - BD-700-1A10: Bombardier document no. G-TM05104502, revision N/C
 - BD-700-1A11: Bombardier document no. G-TM05104503, revision N/C

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: June 16, 2006

Date reissued:

Date of issuance: July 26, 2006

Date amended: December 5, 2006

By direction of the Administrator
