

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA10005SC

This Certificate issued to Soros, Inc.,
a Texas Corporation
Suite 2205, Cambridge Valley
1402 North Valley Parkway
Lewisville, TX 75077

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product Type Certificate Number: [see attached FAA Approved Model
Make: List (AML) for list of approved models
Model: and applicable airworthiness regulations)

Description of Type Design Change:

Installation of airflow register to baggage compartment cover and insert a screened vent into the empennage inspection plate in accordance with Soros, Inc. Airflow Enhancement Kit drawing list number 200 Rev. IR, dated 05/01/2002, or later FAA approved revision.

Limitations and Conditions:

The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 08, 2002

Date reissued: 9/23/05; 12/29/06

Date of issuance: July 23, 2002

Date amended: September 09, 2002

By direction of the Administrator
