

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST02365LA

This Certificate issued to Telair International, Inc.
2220 E. Cerritos Avenue
Anaheim, California 92806

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.*

Original Product Type Certificate Number: A20WE

Make Boeing

Model 747-8 Series and 747-8F Series

Description of Type Design Change: Installation of cargo handling system, lower deck, in accordance with FAA Approved Telair International Index List, IL192100-8, Revision A, dated July 30, 2011, or later FAA approved revisions.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. A copy of this STC must be included in the permanent record of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

*** Certification Basis:**

Certification basis is set forth in the Type Certificate Data Sheet A20WE including:
14 CFR § 26.11 (this modification does not effect Electrical Wiring Interconnection Systems).
14 CFR § 26.47 (this modification does not effect or create Fatigue Critical Structure).

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 12, 2008

Date reissued: May 12, 2015; July 27, 2015

Date of issuance: August 19, 2011

Date amended: December 23, 2011

By direction of the Administrator
