

Supplemental Type Certificate

Number **ST02073SE**

This certificate, issued to

**LiteAir Aviation Products, Inc
7001 Palm Lane
Anacortes, WA 98221**

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: T00001SE
Make: Boeing
Model: 777-200 series, 777-300 series, 777-200LR series, 777-300ER series

Description of the Type Design Change : Fabrication of a LiteAir window plug assembly in accordance with LiteAir Master Drawing List No. LAP1009-D01, Revision A, dated June 23, 2010, or later FAA-approved revision; and installation and maintenance in accordance with LiteAir Installation Drawing No. LAP2009, Revision B, dated June 23, 2010, or later FAA-approved revision.

Limitations and Conditions : Approval of this change in type design applies to the aircraft listed above only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any of the other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft.

A copy of this certificate and the installation drawing must be maintained as part of the permanent records for the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 1, 2010
Date of issuance: July 2, 2010

Date reissued: July 8, 2010, July 26, 2010
Date amended:

By direction of the Administrator
