

United States of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA00090DE-D

This certificate issued to

Learjet Inc.
One Learjet Way
Wichita, Kansas 67209

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product--Type Certificate Number : A9EA
Make : de Havilland
Model : 200 and 300

Description of Type Design Change:

Installation of Radio Altimeter System in accordance with AMR Combs, Inc., Certification Drawing List 7500914, revision N/C, dated April 15, 1994, FAA approved April 16, 1994 or later approved revision.

Limitations and Conditions:

This approval should not be extended to aircraft of this model on which previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : October 6, 1993

Date reissued : January 4, 1995
May 7, 2002

Date of issuance : April 16, 1994

Date amended :

By Direction of the Administrator
