Description of Type Design Change: Installation of "Sentry One™" Flight Deck Door Surveillance Camera System in accordance with the FAA Approved Hollingsead International, Inc. Master Data List, Document No. 2789-01, Revision "NC", dated January 20, 2005 or later FAA Approved revisions.

The FAA Approved Airplane Flight Manual Supplement, Supplement No. 2789-AFM, Revision "Original", FAA approval, dated February 25, 2005, or later FAA approved revisions, is required for this installation.

Limitations and Conditions: The approval of this installation applies only to the above noted airplane model series. The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. A copy of this STC and FAA Approved Master Data List No. 2789-01 must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
