

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA200RM

This certificate issued to: Universal Corporation
12253 Concord-Hambden Road
Concorde Township, Ohio 44077

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 3 of the Federal Aviation Regulations.

Original Product - Type Certificate Number: 5A6
Make: Cessna Aircraft Company
Model: 180, All

Description of Type Design Change:

Installation of flight strobe light, Model 4400, in accordance with FAA approved Drawing List FS 246, or FAA approved revisions.

Limitations and Conditions:

This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of these other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 27, 1979

Date reissued: October 10, 1985; February 9, 2011
April 21, 2011

Date of issuance: April 22, 1980

Date amended:

By direction of the Administrator
