This certificate issued to Millenium Concepts, Inc.
9050 W. Monroe Circle
Wichita, KS 67209

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified herein meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product - Type Certificate Number : T00003NY
Make : Bombardier
Model : Global Express BD700-1A10

Description of Type Design Change:

Installation of additional antennas required for avionics and Automated Flight Inspection System. Required data: Millennium Concepts, Inc. Master Data List (MDL) 273 I-MDL012, Revision F, dated March 27, 2001, or later FAA approved revision.

Limitations and Conditions: Compatibility of this design change with previously approved modifications must be determined by the installer. The data package does not include installation of avionics consoles or any other interior furnishings. Structural compliance only is documented herein. Relevant inertia loads, aerodynamic loads, and damage tolerance / fatigue considerations have been evaluated and approved under this certificate. It is the responsibility of the installer to ensure compliance with applicable regulations for the avionics and electrical equipment, function and operation, coaxial separation requirements, and overall compatibility with existing aircraft systems.
