

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST10333SC-D

This Certificate issued to Gulfstream Aerospace Corporation
7440 Aviation Place
Dallas, TX 75235

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A21EA
Make: Bombardier Inc. (Canadair)
Model: CL-600-2B16 (CL-601-3A Variant)

Description of Type Design Change:

Installation of cabin seating reconfiguration in accordance with Index List CBC22088000, Rev. E, dated 12/05/2007, or later FAA approved revision.

Limitations and Conditions:

The compatibility of this design change with previously approved modifications must be determined by the installer. Descriptive data pertaining to this design change are considered inadequate for duplication on other aircraft; this approval is limited to the installation made in Bombardier Inc. (Canadair), model CL-600-2B16 (CL-601-3A Variant) airplane serial number 5027 only. This STC does not permit manufacturing of parts for multiple installations.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 19, 2007

Date reissued:

Date of issuance: December 5, 2007

Date amended:

By direction of the Administrator
