certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product - Type Certificate Number: 3A16
Make: Beech
Model: 95-55, 95-A55, 95-B55, 95-B55A,
95-C55, D55, E55, E55A, 58, 58A

Description of Type Design Change:

Installation of King Model KAS 297 Altitude Selector Option in airplanes equipped with the KFC 200 Flight Control System with Flight Director.

REQUIRED DATA: King Master Drawing List 155-9137-00, Rev. 2, dated 2-13-80 or later FAA approved revision.

Limitations and Conditions:

The airplane must have the KFC 200 Flight Control System with Flight Director installed in accordance with STC SA1134CE or SA1781CE-D. This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
