Description of Type Design Change:

Installation of Emergency Vision Assurance System (EVAS) in accordance with FAA Approved Vision Safe Corporation Master Drawing Lists. Master Drawing Lists and FAA approved Airplane Flight Manual Supplements required for the modification are listed on FAA Approved Model List No. ST00892LA or later FAA Approved Revisions.

Limitations and Conditions: Flight Crew training requirements are listed on the Master Drawing List. The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
