Department of Transportation Federal Aviation Administration
Supplemental Type Certificate

Number SA00393SE

This certificate, issued to **Protective Technologies International
3150 S. 900 West
Salt Lake City, UT 84119**

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part * of the * Regulations.*

Original Product—Type Certificate Number: *See Attached Approved Model List (AML)
Make: *No. SA00393SE for list of approved Aircraft
Model: *Models and applicable Airworthiness regulations

Description of the Type Design Change: Installation of the G/S 2500 and G/S 2500R Aircraft Security Alarm System in accordance with G/S Alert Master Drawing List No. D35-003-001, dated October 18, 1996 or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: March 3, 1996

Date reissued:

Date of issuance: December 6, 1996

Date amended:

By direction of the Administrator
