

United States of America
Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA1595GL

This certificate, issued to Champion Products, Inc.
Box 422
Stafford, MO 65757

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (See Type Certificate Data Sheet A20WE for complete certification basis).

Original Product — Type Certificate Number: A20WE

Make: Boeing
Model:

Description of Type Design Change: 747-100 Series

Modification of galleys to include ovens in accordance with CMI-Cronstroms Drawing List Number MDL 114264, Rev. A, dated April 26, 1991, or later FAA Approved Revisions.

Limitations and Conditions:

This approval should not be extended to other airplanes of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will introduce no adverse effect upon the airworthiness of these aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: March 21, 1991

Date reissued: March 5, 1993

Date of issuance: May 6, 1991

Date amended:

By direction of the Administrator
