Supplemental Type Certificate

Number SA1501NM

This certificate, issued to
Ports of Call Travel Club
2121 Valentia Street
Denver, Colorado 80220

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations. (See Type Certificate Data Sheet 4A21)

Original Product — Type Certificate Number: 4A21
Make: Boeing
Model: 727-21

Description of Type Design Change: Installation of Dual Marconi Navigation System CMA-740 or CMA-771 in accordance with Ports of Call Travel Club Engineering Authorization P-34-200EA, dated August 1, 1981.

Plane Flight Manual Supplement dated February 2, 1982 or subsequent approved revision is required.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 21, 1981

Date issued:

Date of issuance: February 2, 1982

Date amended:

By direction of the Administrator
