

Department of Transportation - Federal Aviation Administration

Supplemental Type Certificate

Number SR01709SE

This certificate, issued to

**Dart Aerospace USA, Inc.
190 S. Danebo Ave.
Eugene, OR 97402**

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: H88EU
Make: Eurocopter
Model: EC 135 P1/P2/P2+/T1/T2/T2+

Description of the Type Design Change: Installation of Skidtube and Skidtube extension; manufactured in accordance with Master Drawing List MDL-D135-751, Revision D, dated October 5, 2007, or later Federal Aviation Administration (FAA) approved revision; installed in accordance with Installation Instructions IIN-D135-751 Revision C, dated September 20, 2007, or later FAA-approved revision; and maintained in accordance with Instructions for Continued Airworthiness ICA-D135-751, Revision 2, dated September 20, 2007, or later FAA-accepted revision.

Limitations and Conditions: Approval of this change in type design applies only to the rotorcraft model listed above. This approval should not be extended to other rotorcraft of this model on which other previously approved modification are incorporated unless it is determined that the relationship between this change and any other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that rotorcraft. A copy of this certificate, must be maintained as part of the permanent record of the modified rotorcraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 24, 2006 *Date reissued:* October 28, 2015
Date of issuance: September 29, 2006 *Date amended:* September 25, 2008
