

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST01862AT

This certificate issued to Honeywell International Inc.
15001 N.E. 36th Street
Redmond, WA 98052

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations

Original Product--Type Certificate Number: A20EA
Make: DeHavilland
Model: DHC-7

Description of Type Design Change: Installation of a dual MST-67 Mode S Transponder System in accordance with Master Drawing List No. 159-08197-0001, Revision C, dated June 17, 1999, or later FAA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: March 24, 1998

Date reissued: July 27, 2000

Date of issuance: March 23, 1999

Date amended:

By direction of the Administrator
