

Supplemental Type Certificate

Number SH317GL

This certificate issued to Heliplane Aircraft Corporation International
1821 North US Highway 1
Ft. Pierce, Florida 34946

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations.
(See T.C. Data Sheet 1H17 for complete certification basis.)

Original Product - Type Certificate Number : 1H17

Make : Air and Space

Model : 18A

Description of Type Design Change: Removal of cabin door for flight.

Limitations and Conditions: The limitations of Farrington Aircraft Corporation Supplement Number 3 to Air and Space Model 18A Gyroplane Flight Manual dated June 4, 1979.

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse effect upon the airworthiness of that aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : May 7, 1979

Date reissued : June 27, 2011, July 27, 2011

Date of issuance : June 13, 1979

Date amended :

By direction of the Administrator
