

Supplemental Type Certificate

Number: SA03642AT

This certificate issued to Michelin North America, Inc.
One Parkway South
Greenville, SC 29615

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Regulations.

Original Product - Type Certificate Number: A21EA

Make: Bombardier, Inc.

Model: CL-600-2C10 (Regional Jet Series 700, 701 & 702)
CL-600-2D15 (Regional Jet Series 705)
CL-600-2D24 (Regional Jet Series 900)

Description of Type Design Change: Installation of Michelin's tire(s) P/N 029-901-0 on the main gear and/or P/N 036-897-0 on the nose gear of Bombardier CL-600-2C10/2D15/2D24 aircraft wheel assembly in accordance with Aircraft Braking Systems Corporation (ABCS) Component Maintenance Manual (CMM) AP-843, Revision 1, dated April 20, 2004, AP-794, Revision 1, dated April 1, 2003, AP-795, dated February 1, 2001, and Michelin North America, Inc. Service Bulletin STC SB 2008-10-15, Revision 1, dated January 8, 2009. Later FAA approved revisions of the aforementioned document are acceptable.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. A copy of this certificate, or later FAA approved revision, must be maintained as part of the permanent records for the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

Certification Basis: Certification basis established in TCDS A21EA, Revision 26, dated May 2, 2007, is used for all models.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 18, 2007

Date reissued: January 22, 2009; March 10, 2010

Date of issuance: November 18, 2008

Date amended:

By direction of the Administrator
