Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA8070NM-D

This Certificate issued to Learjet Inc.
One Learjet Way
Wichita, Kansas 67209

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (For the Certification Basis see T.C.D.S A21EA)*

Original Product Type Certificate Number: A21EA
Make: Canadair
Model: CL-600-2B19

Description of Type Design Change: Installation of a Collins SAT-906 SATCOM System in accordance with DAS Approved Master Drawing List No. RJ-1049-TUC, Revision (E), dated February 14, 1997, or later DAS Approved Revision. DAS Approved Learjet Airplane Flight Manual Supplement Document R0013, Approved on February 17, 1997 or later DAS Approved Revision, is required as part of this modification.

Limitations and Conditions: 1) This installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 16, 1996

Date reissued: April 8, 2016

Date of issuance: February 18, 1997

Date amended:

By direction of the Administrator
