Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA5855NM

This Certificate issued to Ancra International LLC
875 W. 8th Street
Azusa, California 91702

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.*

* See Type Certificate Data Sheet A2NM for Certification Basis.

Original Product Type Certificate Number : A2NM

Make : Boeing

Model : 757-200, -200F

Description of Type Design Change: Installation of conveyors in lower forward and aft compartments in accordance with FAA approved Ancra Controlled Drawing List DL 81726, Revision "N/C", dated July 28, 1992, or later FAA approved revision.

Limitations and Conditions: The approval of this installation applies to the above noted airplane model series only. This approval should not be extended to other specific airplanes of this model series unless it is determined that the interrelationship between this change and any of those other previously approved modifications will not introduce any adverse effect upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator

Date of application : June 1, 1992

Date reissued : October 8, 1996; March 29, 2012

Date of issuance : October 14, 1992
of the Federal Aviation Administration.

Date amended :

By direction of the Administrator
