2 Introduction

This document is the FAA Approved Model List for the STC No. SA00196BO for the installation of the Pratt & Whitney Engine Services, Inc. Data Transmission Unit (DTU) DTU-K-010-XX into eligible aircraft. Revisions to the AML must be coordinated through the STC holder, and requires FAA approval.

IMPORTANT NOTICE

This STC is only applicable to the 14CFR Part 23 aircraft, which are listed in this AML.

FAA Approved Date: OCT 22 2007
