Number SA3515NM

This Certificate issued to Rockwell Collins, Inc.
2642 Michelle Drive
Tustin, CA 92780

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number : A3WE

Make : Boeing

Model : 727, -100, -200

Description of Type Design Change: Installation of new lavatory drain valves in the forward and aft lavatory drain system in accordance with Kaiser Electroprecision Installation Procedure RYY 104-053, Revision B, dated May 23, 1986, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft. A copy of this certificate and the FAA approved Kaiser Electroprecision Installation Procedure RYY 104-053 must be maintained as part of the permanent records for the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
