Original Product Type Certificate Number: A20WE

Make: The Boeing Company

Model: 747-131, 747-136, 747-156A

Description of Type Design Changes: Installation of Stowe Corporation Cart, P/N 12700-1 in accordance with FAA approved Stowe Corporation Drawing List labeled Tray Modules, P/N 12700-1, Revision "E", dated July 29, 1983, or later FAA approved revisions.

Limitations and Conditions: The approval of this change in type design applies to the Boeing 747-131, 747-136, 747-156A aircraft model only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of these aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight of the fuselage. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
