Number SP01593SE

This certificate, issued to

**Gold Coast Aviation Service Inc.
45 Mortensen Ave.
Municipal Airport
Salinas, CA 93905**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 35 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: P-910
Make: McCauley
Model: 1C160/DTM

Description of the Type Design Change: Modify the above model propeller in accordance with Gold Coast Aviation Service Inc. Document GCA 71505-2, dated July 16, 2005, and Gold Coast Aviation Service Inc. Drawing GCA 7-1405-1 Rev A, dated 7/14/05.

Limitations and Conditions: Approval of this change in type design applies to the above model propeller only. This approval should not be extended to other propellers on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that airplane. A copy of this certificate must be maintained as part of the permanent records for the modified airplane.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
