certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations. *(For certification basis see Type Certificate Data Sheet 4A25)*

Original Product Type Certificate Number: 4A25

Make: McDonnell Douglas

Model: DC-8-61, -63

Description of Type Design Change: Installation of a Video Projection System in McDonnell Douglas DC-8-61, -63 aircraft in accordance with FAA sealed Bell & Howell Top Drawing 488764-0001, Revision "G", or later FAA sealed.

Limitations and Conditions: The approval of this change in type design applies to McDonnell Douglas DC-8-61, -63 airplanes only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
