

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA02331LA

This certificate issued to:

Beechcraft Corporation
10511 East Central
Wichita, KS 67206

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations. *Certification basis is set forth in Type Certificate Data Sheet A24CE*

Original Product - Type Certificate Number:

A24CE

Make:

Hawker Beechcraft

Model:

B300, B300C

Description of Type Design Change: Install and maintain Switches and Wiring for Electro-Optical/Infra-Red Lift and Turret in accordance with Master Data List 300E404584, Revision 3, dated November 9, 2010 or later FAA approved revision and FAA Approved Flight Manual Supplement, Document No. 130-590031-403, dated December 3, 2010, or later FAA approved revisions.

Limitations and Conditions: This STC is a part of an existing belly mounted radar installation, and may only be installed on aircraft which have previously installed STC Number SA02253LA. The installation should not be incorporated into any other aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 22, 2010

Date reissued: September 23, 2013

Date of issuance: December 6, 2010

Date amended:

By direction of the Administrator
