Number SE00081LA

This Certificate issued to **TC SKYROCKET LLC**
356 Expressway CT
Gaylord, Michigan 49735

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 13 of the Civil Air Regulations.

Original Product Type Certificate Number: E8CE

Make: Teledyne Continental

Model: TSIO-520-NB

Description of Type Design Change: Modification of the induction system in accordance with Riley Master Drawing List (MDL) R30000, Revision L dated April 26, 1995, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above engine model(s) only. This approval should not be extended to an engine model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that engine. A copy of this STC must be included in the permanent records of the modified engine. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
