

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate
Number SE01805NY

This certificate issued to Atlantic Turbines International, Inc.
PO Box 150
Summerside, Prince Edward Island
Canada C0B 2A0

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 33 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number: See Continuation Sheet -2 & 3-
Make: Pratt & Whitney
Model: See Continuation Sheet -2 & 3-

Description of Type Design Change:

Installation of fuel nozzle adapters using studs and nuts to be done in accordance with Atlantic Turbines Technical Instruction TI 2003-010, Revision 3, Transport Canada approved December 30, 2004, or later Transport Canada approved revision.

Limitations and Conditions:

1. The following Maintenance Data is required:
 - a) Applicable Atlantic Turbines International Inc., Maintenance Manual Supplements as noted on Continuation Sheet 4, or later Transport Canada accepted revisions.
 - b) Applicable Atlantic Turbines International Inc., Overhaul Manual Supplement as noted on Continuation Sheet 5, or later Transport Canada accepted revisions.
 - c) Applicable Atlantic Turbines International Inc., Illustrated Parts Catalogue Supplement as noted on Continuation Sheet 6, or later Transport Canada accepted revisions.
2. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written permission of that permission.
3. Compatibility of this design change with previously approved modifications must be determined by the installer.

See Continuation Sheet 2

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 25, 2003

Date reissued:

Date of issuance: October 15, 2003

Date amended: August 05, 2004; February 14, 2005

By direction of the Administrator
