Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SE02285AT

This certificate issued to

Dennis C. Glidden
99 Pennair Road
Wolfboro, NH 03894

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 13 of the Civil Air Regulations.

Original Product--Type Certificate Number : E-286
Make : Lycoming
Model : O-360 C1E

Description of Type Design Change

Convert the O-360-C1F into a O-360-C1E according to L.A. Budreau's "Engine Replacement" installations instructions, revision NA, dated August 8/30/00, or later FAA approved data.

L imitations and Conditions: "The installer must determine that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of the engine. Data pertaining to this modification are considered to be inadequate for duplication in other engines." This modification is applicable to Lycoming engine Serial Number L-31403-36A only.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : April 05, 1999

Date reissued : December 08, 2004

Date of issuance : February 20, 2001

Date amended :

By direction of the Administrator
