United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA00775LA

This Certificate issued to Concorde Battery Corporation
2009 San Bernardino Road
West Covina, California 91790

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations. ** (For certification basis see T.C. Data Sheet)

Original Product Type Certificate Number : A60EU

Make : Socata - Groupe Aerospatiale

Model : TBM 700

Description of Type Design Change: Installation of Concorde Battery Model No.RG-380E/44 in accordance with FAA Approved Concorde Battery Corporation Master Drawing List No. 29, Revision NC dated October 28, 1998, or later FAA approved revision.

Limitations and Conditions: This installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : December 12, 1998

Date reissued :

Date of issuance : March 19, 1999

Date amended :
