

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA00910AT

This certificate issued to Swift Museum Foundation, Inc.
P.O. Box 644
Athens, TN 37371-0644

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4a of the Civil Air Regulations.

Original Product--Type Certificate Number : A-766
Make : Globe Swift
Model : GC-1A/1B

Description of Type Design Change: This modification will allow the installation of control sticks in Globe Swift GC-1A, -1B model aircraft in accordance with Thomason Aircraft Master Drawing List 5DL, no revision, dated November 11, 1995, or later FAA approved revisions.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse effects upon the airworthiness of this aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : February 01, 1994

Date reissued : December 21, 2010

Date of issuance : November 16, 1995

Date amended :

By direction of the Administrator
