

United States of America
Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA00185WI

This certificate, issued to Midcoast Aviation, Inc.
Lambert Airport
Box 10056
St. Louis, MO 63145

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations effective February 1, 1965, plus amendments listed in the Type Certificate Data Sheet.

Original Product — Type Certificate Number: A25S0

Make: Piper

Model: 46-310P

Description of Type Design Change:

Remove existing headliner in cockpit and cabin and replace with new headliner per Midcoast Aviation Drawing Number AD940009 stamped "FAA Approved" with a date of August 10, 1994, or later.

Limitations and Conditions:

This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of those airplanes.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: April 15, 1994

Date issued:

Date of issuance: August 10, 1994

Date amended:

By direction of the Administrator
