

Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA00198WI

This certificate, issued to The Guernsey Co.
1991 Airport Road
Wichita, Kansas 67209

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product — Type Certificate Number: A54EU
Make: Cessna
Model: F406 (serial number F406-0031 only)

Description of Type Design Change: Installation of R134a Air Conditioning System in accordance with (1) The Guernsey Co Drawing List, Cessna F406 Air Conditioning Installation, Drawing Number G2409001, Revision B, dated August 26, 1994, and (2) FAA Approved Airplane Flight Manual Supplement (AFMS) for Cessna Model F406 R134a Air Conditioning System, dated August 26, 1994, or later FAA approved revisions to (1) or (2).

Limitations and Conditions: 1. This approval should not be extended to other specific airplanes of these models on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 7, 1994

Date reissued:

Date of issuance: August 26, 1994

Date amended:
