

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA595AL

This certificate issued to Aircraft Innovations, LLC
PO Box 110164
Anchorage, AK 99511

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product – Type Certificate Number: 797
Make: Piper
Model: PA-14

Description of Type Design Change: Installation of Day & Night, Inc. swept vertical tail and reduced-sized square horizontal surfaces on a Piper Model PA-14 airplane in accordance with drawings, sketches, and instructions on file in AAL-210, Engineering & Manufacturing Field Office, FAA Alaskan Region.

Limitations and Conditions:

1. Data pertaining to this modification are considered inadequate for duplication in other aircraft. This approval is limited to the installation of Day & Night, Inc. swept vertical tail and reduced-sized square horizontal surfaces on a Piper Model PA-14 airplane, R/N 5112H, S/N 14-118 only.
2. FAA Approved Airplane Flight Manual Supplement dated August 4, 1976 is required.
3. This installation must be installed in conjunction with Day & Night, Inc. STC No. SA573SW (wing-tip installation)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 15, 1975

Date reissued: April 19, 1979; September 11, 2009

Date of issuance: August 4, 1976

Date amended: September 11, 2009

By direction of the Administrator
