

Supplemental Type Certificate

Number SA1958NM

This Certificate issued to Rockwell Collins, Inc.
1733 Alton Parkway
Irvine, California 92606

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.*

**(Certification basis see Type Certificate Data Sheet A22WE)*

Original Product Type Certificate Number: A22WE

Make: McDonnell Douglas

Model: DC-10-10

Description of Type Design Change: Video Projection System (Laker Airways installation approved by CAA; Drawing List No.A-490805-0001) is modified in accordance with Hughes-Avicom International Drawing List No. A-492041, Revision "A" or later FAA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: December 20, 1982

Date reissued: June 17, 1985; Feb. 18, 1992;
Jan. 23, 1998; May 30, 2006; June 27, 2016

Date of issuance: May 13, 1983

Date amended:

By direction of the Administrator
