

# Supplemental Type Certificate

## Number ST01557SE

This certificate, issued to: **Greenpoint Technologies**  
**4600 Carillon Point**  
**Kirkland, WA 98033**

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A16WE  
Make: Boeing  
Model: 737-700

Description of the Type Design Change: Installation of a 60 Hz Power Outlet System, in accordance with Greenpoint Technologies Master Drawing List G4019-DL-01, Revision E dated May 4, 2005 or later Federal Aviation Administration (FAA) approved revision.

Limitations and Conditions: The approval of this change in type design applies to the above model aircraft only. See continuation sheet 3 of 3 for additional limitations. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce, no adverse effect upon the airworthiness of the aircraft. A copy of this Certificate and Greenpoint Technologies Master Drawing List G4019-DL-01, Revision E dated May 4, 2005, or later FAA approved revision must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until sur-rendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 20, 2004

Date reissued:

Date of issuance: June 2, 2005

Date amended:

By direction of the Administrator

# Supplemental Type Certificate

(Continuation Sheet)

Number ST01557SE

**Issued to:** Greenpoint Technologies

**Date of Issuance:** June 2, 2005

**Date Amended:**

**Limitations and Conditions:** (cont'd)

**Note:** This continuation sheet is applicable to the STC as issued on June 2, 2005.

1. Design features contained in the subject type design are intended to meet applicable missions requirements for military operations and as such rely on the special training and personnel provided by the military operator. Aircraft so modified under this STC ST01557SE are therefore not eligible for entry into civilian use.
2. The STCs, ST01087WI-D, ST01414LA must be incorporated with, or prior to, this modification.
3. Prior or concurrent accomplishment (as applicable) of Boeing Service Bulletin SB 737-24-1147 is required.
