

Supplemental Type Certificate

Number SA3029WE-D

This Certificate issued to United Air Lines, Inc.
600 Jefferson Street
Houston, Texas 77002

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number : A3WE

Make : Boeing

Model : 727-200

Description of Type Design Change: Removal of all First Class seating and class divider. Relocate coach seating to provide fourteen rows at 36 inch pitch. Install sofa with end tables, lamps, and privacy curtain; aft facing double seat, folding leaf table and swivel chair. Provide tables and office work area in aft cabin. Install phone systems. Configuration in accordance with United Air Lines Drawing List No. COA 7-2577 dated July 12, 1976, or later FAA approved revisions.

Limitations and Conditions: This approval should not be extended to other specific aircraft of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
