

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA1-436

This Certificate issued to Woodstock Aircraft Services, Inc.
PO Box 2
White Lake, NY 12786

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4a of the Civil Air Regulations.

Original Product Type Certificate Number: TC-768
Make: Cessna
Model: 120-140

Description of Type Design Change:

Leading edge landing lights, left hand wing.

Ref; SKYCRAFT DESIGN dwg. #6C-19100 Titled, Leading Edge landing lights, dated 10-22-59

Limitations and Conditions:

1. The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 22, 1959

Date reissued: September 14, 2001 (Replaced original STC SA1-436 dated January 27, 1960), March 21, 2007

Date of issuance: January 27, 1960

Date amended:

By direction of the Administrator
