

United States of America  
Department of Transportation -- Federal Aviation Administration  
**Supplemental Type Certificate**

*Number* SA132GL

*This certificate issued to*

Eric J. Brown  
350 East Century Street  
Belle Plaine, MN 56011

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4a of the Civil Air Regulations.*

*Original Product--Type Certificate Number:* A-751

*Make:* Aeronca

*Model:* 0-58B, S/N 058B1012 and up.

*Description of Type Design Change:*

Install metal wing ribs according to "Instructions for Conversion of Aeronca 0-58B Wings from Wood Wing Ribs to Metal (Champ) Wing Ribs," STC Project #A735GL-5, Revision 2 dated May 1976.

*Limitations and Conditions:*

1. Compatibility of this design change with previously approved modifications must be determined by the installer.
2. No adverse effect upon the airworthiness of that aircraft and this determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage.
3. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that person.

*This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.*

*Date of application:* January 5, 1975

*Date reissued:* September 10, 2007

*Date of issuance:* August 13, 1976

*Date amended:*

*By direction of the Administrator*
