**See TCDS No. 4H12 for complete certification basis.*

Original Product Type Certificate Number: 4H12

Make: Sikorsky

Model: 269A, 269B, 269C

Description of Type Design Change: Installation of a searchlight kit in accordance with FAA Approved Alexair Drawing List No. 771-1000, dated August 29, 1979 or later FAA approved revisions.

Alexair FAA Approved Rotorcraft Flight Manual Supplement dated September 5, 1979, is required with this installation.

Limitations and Conditions: The approval of this change in type design applies to the basic aircraft of the specified models that are otherwise unmodified. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that rotorcraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
