SURRENDERED

Limitations and Conditions:

The approval of this change in type design applies basically to the standard Douglas Model DC-6 aircraft only. This approval should not be extended to other aircraft of the same model on which other approved modifications have been made unless it has first been determined that the interrelationships between these various modifications will have no adverse effect on the airworthiness of the aircraft. The following Delta Air Lines revisions to the FAA approved DC-6 Airplane Flight Manual are a part of this STC: Rev. 15, dated 12/7/66 to Report No. 14554, Rev. 7 dated 12/7/66 to Report No. SM-19544.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the

Federal Aviation Agency.
