

Department of Transportation - Federal Aviation Administration

Supplemental Type Certificate

Number SA01233SE

This certificate, issued to

**ABI, LLC
20130 Birchwood Loop Spur Road
Chugiak, AK 99567**

*certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part * of the * Regulations.*

Original Product—Type Certificate Number: * See attached Federal Aviation Administration (FAA)
Make: Approved Model List (AML) SA01233SE for approved
Model: aircraft models and applicable airworthiness regulations

Description of the Type Design Change: Manufacture of Alaskan Bushwheel tail wheel and fork assembly per Alaskan Bushwheel documents listed below or later FAA-approved revisions. The tail wheel and fork assembly must be installed in accordance with the applicable Alaskan Bushwheel installations as listed on AML SA01233SE.

Limitations and Conditions: Approved of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft on which other previously approved modification are incorporated unless it is determined that the relationship between this change and any other previously approved modification, including changes in type design, will introduce no adverse effect upon the airworthiness of the aircraft. A copy of this certificate, the AML, and the FAA Form 337 must be kept as part of permanent records for the modified aircraft. This is a direct replacement part, and the FAA has determined that no instructions for continued airworthiness are required.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: March 28, 2003 *Date reissued:* March 13, 2014
Date of issuance: July 1, 2003 *Date amended:* May 10, 2005; April 18, 2006

By direction of the Administrator
