Supplemental Type Certificate

Number SA4-50

This certificate, issued to: Skyhaven, Inc.
25 Runway Road
Tunkhannock, PA 18657

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part * of the Civil Air Regulations. *(Certification basis is set forth in Type Certification Data Sheet T.C. 679)*

Original Product—Type Certificate Number: T.C. 679

Make: Stinson

Model: SR-10D, SR-10E

Description of the Type Design Change: Increased gross weight to 4650 pounds. Modified fuselage per Wardlow Aircraft Co. Drawing W-10003. Replace horizontal surfaces with those from the SR-10F Drawing C-1637.

Limitations and Conditions: This installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. A copy of this STC must be included in the permanent records of the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 29, 1956

Date of issuance: June 8, 1956

Date reissued: September 2, 2003

Date amended: June 8, 2006

By direction of the Administrator
